Product overview: Fluke C1600 Tool Hard Case

The C1600 is a heavy duty, molded-plastic case designed to carry your Fluke digital multimeters, process calibrators, and the accessories that go with them. The case features a snap-open lid compartment for easy access to small parts such as fuses, batteries, probes, and leads. Once opened, the case has a top storage compartment and a secondary bottom area for larger tools. The whole case can also be locked and easy to carry around with the large handle. You also get five hook-and-loop straps to wrap your cords and test leads along with the case.
