

Exclusive Features

The TTRacing Swift X 2020 is the best fit for taller or larger body sizes thanks to it's ultra-wide and tall backrest. It features a bucket seat design to help users correct their posture while the lumbar and neck pillows enhance the user's comfort experience. Adjust your comfort experience with the 165-degree main recliner and 8cm height-adjustable armrests. With top grade hydraulics and castors, your chair's height can be adjusted easily and is capable of gliding smoothly across all flooring surfaces.
