

TECHNICAL DATA

Fluke 71X Hose Kit Accessory

Product overview: Fluke 71X Hose Kit Accessory

The Fluke 71X Hose Kit is compatible with the 717 and 718 calibrators 100 PSI and below.

Application: Translucent accessory hoses allow the technician to easily identify if there is oil or other contaminants in the hose before they get into your calibrator.

Included: The kit contains one translucent hose one meter long, easy to connect push fit connectors for both connection to the calibrator and the device under test and one 1/8 F-NPT to 1/4 F-BSP female-female adapter.
